WORKING THROUGH IMPI HEALTH

Step 1:

Please complete the registration form and mail it back to us. (You can also register on our website: www.impihealth.com)

Step 2:

Please get the following documents ready.

- Your CV, elaborating as much as possible on all past work experience (*see CV guidelines/format below*).
- Copies of at least two professional reference letters or testimonials.
- A certified copy of your degree
- Police clearance
- Copy of your passport and visa or work permit
- Copy of HPC Registrations
- A digital photo of yourself (send via email if possible please)

Step 3:

To practice in the UK health sector you have to register with the relevant health regulatory authority. (Although in the past Audiologists didn't have to, this is changing now and soon Audiologists will also need to register with the HPC UK.)

- WWW.HPC-UK.ORG for all Speech Therapists and Audiologists
- WWW.GDC-UK.ORG for Dentists

For further details please view their websites and download the relevant application forms from there.
